TIMEBOY

SMALL SIMPLE OPERATION SUPERB FUNCTIONS SMART SAVE YOUR MONEY

TECHNOL SEVEN CO., LTD.

THE NEW COMPACT TIMEBOY HAS BEEN DEVELOPED FULLY FUNCTIONAL

FIVE SUPERB FUNCTIONS

Ultra compact sized Time Recorder can fit perfectly anywhere in your office. For small office, it can be mounted to the wall. Sophisticated design and accurate functions.

FEATURES

I SMALL

Compact sized Time Recorder with full functions. It's possible to mount to a wall, so it doesn't take up valuable space.

II SIMPLE OPERATION

JUST TURN ON THE SWITCH AND USE

Year-month-date, payroll cut-off date(END) are already set. Easy to see LCD Clock.

III SUPERB FUNCTIONS

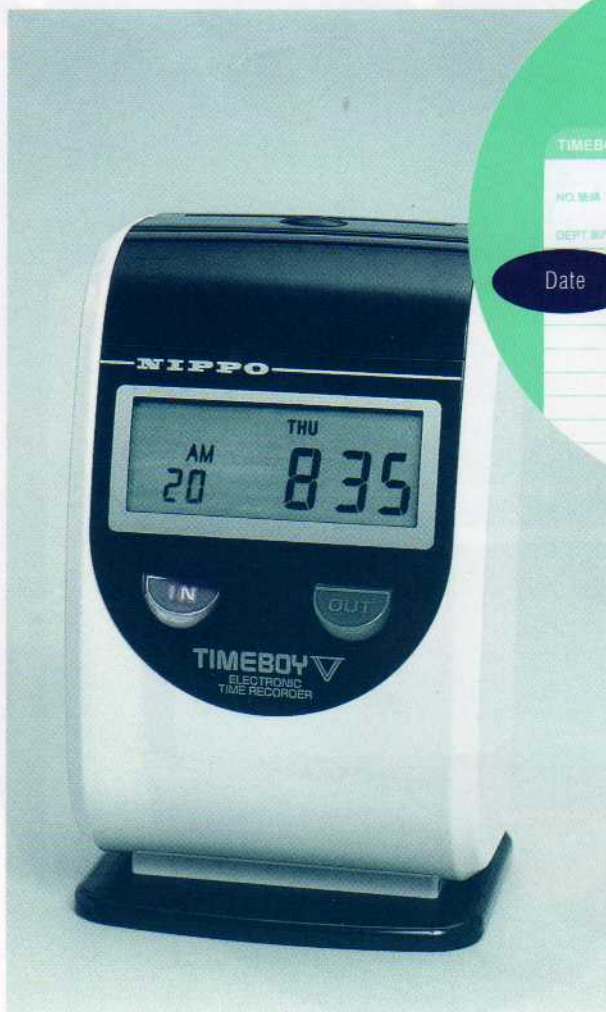

Built-in perpetual calendar including leap year. The lithium battery will support the memory back up if power fails. It has passed a 180,000 time printing endurance test. Optional time of day change (Initial factory setting is 3.00)

IV SMART

Smart & Simple design suitable to any offices. Easy-to-see LCD display. With the Light Button on, you can easily operate the clock IN/OUT in a dark place.

V SAVE YOUR MONEY

Fully functional and economical.

Printing sample
